

International Award Scheme

The Ceredigion Sports Council operates a scheme to recognise and reward new international sports people of Ceredigion. Presentation of successful applicants are made at The Awards Ceremony held annually in July at venues around the county.

The award will be in the form of an Honorarium, a Certificate of Achievement and a County Polo Shirt. All internationals must be taking part in a sport with a recognised Governing Body.

Internationals will be honoured on one occasion only, irrespective of number of caps.
