Canolfan Hamdden Llandysul Leisure Centre

Building Transfer

As of the 31st March 2017 Ceredigion County Council will no longer be providing leisure activities from this site. Llandysul Aqua Centre is in the process of taking over the running of this building. This change will take time but we wish to ensure that the handover process goes as smoothly as possible and that any inconvenience caused to facility users will be kept to a minimum. We would like to thank you in advance for your patience throughout this period and hope that you are able to support the facility with your custom in future.

Week commencing the 3rd April 2017, the pool will be open for its usual operating hours, but the leisure centre will only be available for fitness classes and group bookings. We hope to be open for general usage as soon as possible. We will endeavour to keep everybody informed about progress but please visit this noticeboard or ask a member of staff if you require further information.

Yours faithfully
